In Malice's Wake

"I went to see Alana to help with my voice wear after repeated nights doing vocals in In Malice's Wake. I have loved all of our sessions, she has tailored our sessions to my voice in particular, and with her warm ups and adjustments to my approach, I have noticed significant improvements in my performance, range and stamina. I now understand the anatomy of my vocals, and have learned how and why my voice sometimes strains.

Alana is a patient, fun and clear teacher, who makes each session something I look forward to greatly. I have been seeing her since earlier in the year and look forward to working with her on an ongoing basis!"
